

**Year 1**

# Homework

**Date: 27th November 2020**

- You should try to read your book as much as possible each week.
- Don't forget to get your grown-up to sign your book to show that they have heard you read and for you to collect your Rainbow Reader awards.
- As you read, think about what is happening in the story or what facts you have learnt. Then ask your grown up to ask you some of the questions in your reading record.

**This week we have been focusing on these words:**

their looked asked could

**Please practise these letters at home and watch the videos. The links can be found on Seesaw.**

Letter 'r' – say: “start at the top come down, bounce back up and over.”

Letter 'n' – say: “start at the top come down, bounce back up, go over, down and flick.”

Letter 'm' – say: “start at the top come down, bounce back up and over. Down, bounce back up and over, down and flick.”

We have been learning about height. We have compared the heights of different items, putting them in order from the shortest to the tallest. Your child's task this week is to order 5 toys from shortest to tallest. Once they have completed this, we would like them to see if they can: find an object that is double the size of their smallest toy find an object that is approximately half the height of their tallest toy.
